

Dear Nye Families,

April 22, 2020

First, I hope you are all doing well and staying healthy! We are completing week four of online learning. Your classroom teachers and educational assistants have worked very hard to provide high quality-learning opportunities for students and families. Although we miss seeing the smiling faces of our students at Nye, we are enjoying every opportunity to see them during class meetings and love it when you share your pictures and comments on BLOOMZ.

We appreciate your participation in the learning activities that work for you and thank you for all your support. We are all part of a strong Nye community and we will work together with you for the success of our students! Please do not hesitate to reach out to your teacher or myself if you need assistance.

I am excited to announce that Nye will join the district in a Virtual Spirit Week next week, April 27 – April 30. Please find the schedule below along with the link to join our Let's Dance gathering on Thursday.
